

To those of you who find yourselves offended at truth rather than touched by it--to those of you who were too busy with the activities of this world to realize the true condition of the world and the people around you--to those of you who could not intellectually accept the simplicity of truth--to those of you who considered the message of Truth an inept, unrealistic example of extreme idealism--to those who quietly rejected truth based on a biased preconceived idea of what "knowledge" is--to those of you who were afraid you might have to give up some inane "sin" or activity if you received truth--to those not

ready to accept the
responsibility of truth--to those
who heard and saw a
magnificent presentation and
revelation of divine truth and
boldly and blatantly rejected it--
to all of you who for one
reason or another "*loved not
the truth*"--you shall be sent a
strong delusion; and you will
"believe" at last; *but it will be a
lie.*

THE INEVITABLE AWAKENING

After we awaken by social
evolution to the fact that we
cannot permit the unregulated
stampede for wealth,
industrialization and over
population without
jeopardizing our life support
systems; after we have cleaned
up the bloody crimes of a free
society in the hands of
demoralized hedonists; after
we have experienced the
insecurity of a sagging, failing
economic structure which
failed to support the insatiable
appetite of men for monetary
gain and power; after we have
seen that too few cannot have
so much when so many have so
little; after we have danced to
the tune of self-satisfaction and
greed-- we will begin to
recognize a day of reaping of
what we have sowed, moving

upon us as a black cloud of restitution. We will have to make a way when there seems to be no way. We will have to dig our way out of the pit we have wallowed into over the centuries of what we know as "civilization." As we realize that our old ways cannot be perpetuated, self survival and pride will rush forward to save the day and build a "Brave New World".

To those of you who have always placed your hopes in "Man"--those who have dreamed of brotherhood, solidarity, and peace affected by man himself--the time is near when the beginnings of this concept will be brought into reality by the emergence of a charismatic leader. It seems acceptable that man would try to solve his problems alone; however, this premise is correct only if man is here by chaos of nature with no responsibility to a divine Creator. A world system separate from a divine Creator's sanction or provision for the things created would represent the highest form of rebellion and pride. In a final act of independence and separation from God, we will attempt to be our own saviour.

We will, in fact, attempt to establish a world of peace, without the Prince of Peace and salvation for mankind—without the true Saviour. Men will rally around to what will appear to be "peace at last!" Peace on earth—NOW--at any price! The hand that will feed us and restore our social and personal esteem is the hand we will worship--regardless to whom or to what it may be attached. This tiny planet will be isolated in a grandiose scheme to save itself.

WHO FITS THE ANTICHRIST PROFILE?

The Word speaks of one who "by *peace* shall destroy many" Daniel 8:25, and that "through *his policy* also, he shall cause craft to prosper." This world dictator will have total control of the nations of the world: "and power was given *him* over all kindred and tongues and nations" Rev. 13:7 He will control the economic structure of the world: "*He causes all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: that no man might buy or sell save he that had the mark*" (Revelation 13:16-17). He will not recognize the God of the Bible but will

honor the forces of nature:

*"Neither shall he regard the **God of his fathers**, nor the desire of women ... but in his estate shall he honor the god of forces: and a god whom his fathers knew not shall he honor ... thus shall he do in the most strong holds with a strange god, whom he shall acknowledge and increase with glory: and he shall cause them to rule over many, and shall divide the land for gain" Daniel 11:36-39.*

A controlled, mechanized, organized world dictatorship has been prophesied by the Word of God witnessed in both Old and New Testaments of Truth. Much speculation has been made regarding the identity of such an individual.

Some thought Adolf Hitler was surely the one; while many false Christs and would be Great Masters of Truth, even now, try to project themselves to the people. However, even the secular facts indicate that our world is moving toward a united ruler ship wherein man will have to unite to survive.

Already a world monetary system is being developed, as well as a world language.

A PORTRAIT OF ANTICHRIST'S WORLD STAGE

At the end of the age--
when evil has reached a
full measure-- when your
children are given over to
the hand of the
murderers--when we see
ourselves surrounded by
perversion: men burning
in their lusts one for
another--when our world
leaders and judges
become as evening
wolves--when our land is
full of bloody crimes--
when famines hit and
earthquakes occur in
various places of the
world--when the land is
consumed in over-
population—when the
computer age allows the
control and numbering of
billions of people—when
the communications
media allow for the whole
world to witness events--
when the planet's
environment is
contaminated--when
religious form and ritual
replace true belief-- when
false prophets arise to
deceive many--when
these things begin to
come to pass-- know that
you are in the "beginning
of sorrows. "

This cold, disregard for human
values is the breeding ground
for the world dictator. To live
under the bondage of world
control is not to have lived at
all. The first thing that will be
sold out at his hands is
individual liberty for the
security of food and shelter.
His peace will finally be an

"enforced peace," a police state of suppression of any opposition. The world will have its Master of Pride, even one who will honor the darkness of earth's own heart. We will receive a new structure rather than a new heart! Gather around one more time and he will sell you an end-time peace apple at twice the price of the first one. The true spirit behind restoring the earth without Divine intervention is The Pride and greed of the "Superstar of Darkness" - waiting to take dominion in the natural as well as the spiritual dimension. Craft and commerce will flourish again under the direction of this modern genius. He will arise quickly out of the masses and enamor the masses. He will bring a type of peace that men have only dared to dream of as the last generation of human government serves up a feast seasoned with malice, deceit, suppression and pride! Will anyone come forth to give us a stay of execution? Another hundred years of existence-- just one more giant step for man! His hypnotic personality will entice men to engage in universal fellowship in mass programs that will seem to

solve world famine and
pollution by strict
regimentation of every man,
woman, and child on the earth.
He will speak of himself and he
will be received! So this is your
"god"-so unlike the humble
Jesus who said that His
kingdom was not of this world.
He wanted no throne wrought
by men's hands; instead, He
asked that we love each other
and thereby stop the hand of
murder, war, theft, rape-- and
all cruelty and inhumanity.
Long ago, He brought forth the
way for world peace and the
brotherhood of man; but His
way sounded too simple; and
after all, He did it all for us.
Where does that leave our
pride? Can't we do it ourselves?
Give us a chance to prove what
we can do; we can make it
without Him: A lowly carpenter
laborer claiming to save the
world--what about our personal
status and intelligence? Can we
accept One so unselfish that He
spurned all that "we" could
have offered Him? He did not
come to "take" at all. All He
talked about was love. How can
we love when we want to
compete? How can we forgive
when we want revenge? How
can we live when we perpetu-
ate death? How does this

Saviour fit in with our
darkness of soul? He promised
us a new heart, not a new
peace policy. He promised us
true liberty, not an enforced
system of governmental
control. He promised us true
brotherhood, not a restrained
acceptance and suppression of
others for the sake of survival.

THE FINAL ABASEMENT OF PRIDE

Man has been given the
ultimate amount of rope to
prove himself wrong: The
"saviour" he chooses himself
shall "enslave" him rather
than save him. The end will
reveal the total and final
abasement of man's pride as he
elects his own executioner. The
very one who caused man's
original spiritual and physical
destruction will stand crowned
king by his own victims. This
revelation of the intelligence
and judgment of mankind will
reveal that the center of man is
desperately evil--the center
which he never lets himself
face, the dark, unlit cavern of
the inner man or sub-con-
scious, the keeper of those
darkened capabilities and
desires carefully shielded and
submerged under the covering
of civilization and humanistic
culture. Man's choice of a

saviour will reflect a
personality unmerciful and
cold blooded beyond our
limited conception; he will
write a document of death
never revealed before to this
planet. No bloody swath swung
by the hands of the most
vicious and ambitious souls
will be comparable to the
mutilation manifested by this
one--the high prince of
darkness himself-"that Man of
Sin."

*"And because they received not
the love of the truth that they
might be saved ... for this cause
God shall send them strong
delusion, that they should
believe a lie ..." II Thess. 2:10,
11*
